

FOCUS ON THE CASE, NOT THE COST.

When you're working to win the case, the last thing you should be worried about is how to fund the deposition. Steno provides independent law firms with reliable court reporting, and we do it with a revolutionary approach.

With Steno, you can get all your depositions done on a deferred payment plan, with no fees due until your case concludes. That lets you take all the depositions you need—including ones with video—all without worrying about the cost.

It's time to focus on how to win your case, not on how to pay for it. It's time for Steno.
